Absolutely gorgeous 4-bed, 4-bath, 2-story home with pristine views of the Front Range and Pikes Peak! The home backs to an open space. This home has everything you need! Wired with entire home Surround Sound. An attached 2-car garage and Central AC. Tons of natural light. Beautiful hardwood floors throughout the main level living areas. Enter to the light & bright formal Living room with vaulted ceilings. The formal Dining Room is perfect for entertaining. The gourmet Kitchen has a gas range, granite counters, a Craftsman Pot Rack above the Island, stainless steel appliances, and a pantry. Spend cozy Colorado nights by the fireplace in the main-level Family Room that walks out to the patio. The Laundry Room and a convenient Powder Room complete the main level. Wake up to gorgeous views in the Primary Bedroom with a walk-in closet and an adjoining 5-piece Bath with double vanity, a generous soaking tub, and a separate shower. There are two additional bedrooms and a full guest bath on the upper level. The large loft works as a sitting area, playroom, or office. The spacious Rec Room in the finished Basement is perfect for a home theater, game room, and more. The 4th Bedroom and a full Guest Bath are on the basement level. Additional amenities include a water softener and a sump pump. The spacious backyard with a storage shed and privacy fence has plenty of room for your furry friends to roam. The front is ready
